I understand the concept of DOG DAYCARE is to allow dogs to socialize by interacting with other dogs and people. I also understand dogs are playing inside and outside, and may get dirty while attending dog daycare.

All dogs are playing at their own risk. While we exercise due care to protect the health and safety of all dogs while in our care, animals are UNPREDICTABLE by nature, and the risk of injury is inherent to this type of activity. I have been made aware of the risks involved in my dog attending dog daycare. **Initial here:** _____
